2020-2021 Winter Sports Parent Meeting

Cory Runkle-MHS AD  
Mathew Wade- MMS AD

# To start, thank you!

Cooperation, understanding, and flexibility on behalf of our parents and student-athletes made the fall season possible. We cannot thank you enough for everything that you did for our teams.

As we head into the winter season, we are going to need that again. There will be frustration, cancellations, and unexpected issues brought on by the COVID-19 pandemic. We're all on the same team, and we'll work through any issues to give our Mounties as much of a winter season as we possibly can.

## Highlights:

Chain-of-command: Please follow the established chain of command to address concerns. This begins with athletes discussing issues directly with the coach.

Please note that we ask that our parents abide by the “24 hour rule” and wait until at least 24 hours following a contest to discuss concerns with a coach.

Playing time, coaching strategy, and other student-athletes are not concerns that are appropriate to discuss with the coach.
