## A Note From Our Principal

I am impressed to be seeing the amount of growth the students have made just in the first quarter! The teachers have worked so well together to implement W.I.N. time into the school days, and the data is proving how impactful that time is for each and every student.

## **PTO**

Thank you for your support of the spirit wear fundraiser! All items will be delivered before Christmas break.

Mark your calendars to join us for Breakfast with Santa which will be held on December 3rd from 8:00 a.m.-11:00 a.m.

Please join us at our next meeting on November 9th at 6:00 p.m.!

---

## **Literacy News**

The Mapleton Literacy Team and Title Teachers planned an annual Literacy Night on November 1st with over 50 families attending. Families were able to stop by a photo booth, the book fair, and stations that involved a dirt pudding snack, digging for words, building site, and a construction worker puppet craft. Students had the opportunity to listen to a read aloud and received a free book. Outside the event local businesses brought in equipment for a touch a truck. Simonson Construction, Leiby Construction, and NDK Scrapers brought equipment for students to view up close. Thank you to all the staff that helped make it a successful event and for the families that attended!

---

## **School Fees**

Please pay your student's school fees as soon as possible if you have not done so already. An invoice went home in the report card envelopes for any unpaid fees. These fees can be paid online, over the phone, or in-person in our main office. The student fees go towards purchasing classroom supplies and materials to enhance student learning.

## **Fall Weather Dress**

Fall weather is here and the temperatures are cooling off. Please keep this in mind as students will still be going outside for recess and could use a jacket and might even prefer a hat to stay healthy this season!

---

## **PBIS**

The word of the month for November is compassion. Compassion means that we care about others, treat them with kindness, and feel a strong desire to help people in need. To show compassion, our 5th Grade Student Council will be hosting a drive to collect items to send to soldiers during the holidays. In addition, we will end the month by showing compassion through a food drive for families in need. Look for more information to come home about these events and feel free to participate as you are able.

---

## **AM Drop Off**

Morning drop off in the rear of the building is from 7:50 until 8:10. Please be advised that if you do not see an adult outside and/or it is later than 8:10, you need to bring your student around to the front office. The back doors are always locked and students will not be able to let themselves in.

---

## **Spare Clothing**

Our clinic could still use spare clothing such as black or navy blue athletic pants (sizes 5-14/16) and underwear of all sizes.
